**Fort A. P. Hill Awards Contract to Intellicheck Mobilisa  
*Regional Training Center Joins Growing List of Defense ID Customers***

**Port Townsend, WA** – September 23, 2010: [Intellicheck Mobilisa, Inc.](http://www.intellicheck.com) (NYSE AMEX: IDN), a global leader in access control and wireless security systems, recently finished installation of its Defense ID<sup>®</sup> access control system at Fort A. P. Hill, a Regional Training Center for America's Defense Forces.

Utilizing Intellicheck Mobilisa's patented ID reading technology, Defense ID quickly scans various forms of IDs, such as Drivers Licenses, Military ID's or Passports, and instantly compares the data to over 100 "bad guy" lists.

Fort A. P. Hill, located in Caroline County of the Commonwealth of Virginia, is used year-round for military training of both active and reserve troops of the Army, Navy, Marines, and Air Force, as well as other government agencies. These include the Departments of State and Interior; U.S. Customs Service; and federal, state and local security and law enforcement agencies.

Dr. Nelson Ludlow, CEO of Intellicheck Mobilisa states, "We are excited to add Fort A.P. Hill to our growing list of Defense ID customers. They are an important training facility for our military personnel, serving as a strategic training facility for the National Capital Region. We are proud to help secure the base with our Defense ID system."
